

HEALTH MINISTER Training

You have already done the GHSB prerequisite last year (or you are taking it this year with Judy) and since Paul & Ann Malkmus are coming to Canada to do the Health Minister Training we want to ask you to join HA Canada's director Judy Fleming as she welcomes them to Canada this spring. Let's do it now!

May 31st - June 2nd, 2012 in Vancouver, BC

at the Best Western Chateau Granville

You will get the same training and certificate as you would at training in the U.S.

Are you ready to share The Hallelujah Diet with others? Health Minister Training shows you how to make the most of your efforts. You'll get three days of comprehensive training, and walk away with exclusive access to Hallelujah Acres product discounts, an online support library and more!

The cost will be in U.S. dollars: \$470.00 for the primary registrant (\$225.00 for secondary)

You can register for this HM training now by calling toll free 1-866-478-2224.
